Annie, great to see you today. I wish we had more time to chat - we should schedule lunch to catch up.

Wanted to let you know that Mike from our BID would also like to participate! He's copied above.

Hi Annie, great to hear from you!

Let me check with the team. I'm thinking Joanne may be a good fit. I wish I could do it, but it's challenging with the timing of the meetings...

In any case, I'll check around and get back to you.

Thanks,
Nhien

Hi Nhien,

Hope this email finds you well! I want to check in and see if you know of anyone at CCA or the DCBID that would be interested in joining the *Heart of the City 5k* planning committee! Aaron was pretty involved last year and seemed to enjoy it. Maybe there is another staff member who would be interested for our 2017 race? It's a great way to give back to the community and work with other committee members who come from various professions in the downtown community.

I've attached the description of the committee. Let me know if anyone comes to mind!

Thank you for your help!
